Sci-Camphill had me pack up my property on 11-20-18 I was suppose to on 11-21-18. my transfer was concealed. Why? I don't know, but my property was sent ahead of me. Camphill told me to pack up on 11-26-18. I told the Sgt of Property at Camphill that I didn't have my property with me that it was sent ahead of me and that I needed my legal work documents for court, but do to the jail send my property without me I was able to have the documents, I needed for court, that was needed to be presented at court. My problem is when my transfer was concealed to the first time I asked the Property Sgt. How can I retrieve my things, so I could be able to present it at court. He stated that he could do nothing for me, but he could contact for me which he said he did. When I got the chance to speak to the LT in intake, before I got on the bus to go on with all he did was yell at me and treated me with nothing but disrespect. When I asked for my property, the Sgt. Stated at Camphill Property, He will not throw his co worker under the bus. I arrived at Sci-Phoenix without my property. I was not able to fight my withdrawal, and forced to accept a sentence of 7-14 years which I know, if I had my legal documents, I could of prove that I deserve a lesser sentence. Due to those office my due process was tamper with and I want the proper action.

as of Dec. 17, 2018 I still don't have my, legal work or my family's Address's, or any Commissary or personal property. You are Deprived me of my property. This is a violation of my civil rights,

B. List actions taken and staff you have contacted, before submitting this grievance.

Final Appeal Decision

Secretary's Office of Inmate Grievances & Appeals
 Pennsylvania Department of Corrections
 1920 Technology Parkway
 Mechanicsburg, PA 17050

Inmate Name:	JONES, MARTIN WILLIAM	DOC #:	NN4778
SCI Filed:	Camp Hill	Current SCI:	Rockview
Grievance #:	776959		

This serves to acknowledge receipt of your appeal to the Secretary's Office of Inmate Grievances and Appeals for the grievance noted above. In accordance with the provisions of DC-ADM 804, Inmate Grievance System Policy, the following response is being provided based on a review of the entire record of this grievance. The review included your initial grievance, the Grievance Officer's response, your appeal to the Facility Manager, the Facility Manager's response, the issues you raised to final review, and (when applicable) any revised institutional responses required as a result of a subsequent remand action by this office. As necessary, input from appropriate Central Office Bureaus (e.g., Health Care Services, Chief Counsel, Office of Special Investigations and Intelligence, etc) may have been solicited in making a determination in response to your issue as well.

Decision: Uphold In Part / Deny In Part

It is the decision of the Secretary's Office of Inmate Grievances and Appeals to uphold the initial response, uphold the inmate, or Uphold in part/Deny in part. This response will include a brief rationale, summarizing the conclusion, any action taken to resolve the issue(s) raised in the grievance and your appeal and relief sought.

Response:

You filed this grievance stating you were transferred on WRIT without your legal property.

Review of the record confirmed that you were transferred to SCI Phoenix on 11/26/18 without property. Investigation into your grievance revealed that you were initially scheduled for a temporary transfer on 11/20/18 but it was cancelled. The revised initial review response acknowledges that even though your transfer was cancelled, your property remained on the bus going to SCI Rockview. The exact path of the property that was sent on the bus on 11/20/18 is unclear, as the record reflects that you returned from SCI Phoenix with two boxes of property. However, the record confirms that you did not take any property with you to SCI Phoenix on 11/26/18. Your claims concerning the impact on your hearing and that this 'forced you to accept a sentence of 7-14 years' cannot be substantiated. Issues presented in your appeal which weren't raised at prior levels will not be addressed.

Based on the aforementioned information, your appeal is upheld in part/denied in part.
